The cost of each of the first 8 workshops is due no later than 8 days before the commencement of the workshop.

- A payment plan may be available with NK for the last two 4-day workshops.

Family & Friends Competency Student Clinic is an opportunity to work on friendly ‘familiar’ clients (who are not kinesiologists) in a clinic session, and at the same time get a few assessments ticked off. The following home-study workbooks are to be completed before the F & F Competency Student Clinic in October: KIN001, KIN002, COM006, and AAP003, unless applying for Recognition of Prior Learning (RPL). Note: Each workbook costs \$300.
