NOTE: Dates are subject to change.

Online Courses: 10:30am – 4:30pm

- Kinesiology Courses\* will cover the entire theory for each workshop
- Workshop time will accommodate practice of approximately 2/3 of the learner material
- The remaining practical skills will be practiced during face-to-face practice sessions
- As soon as face-to-face training can resume, we shall complete the practice hours for initial courses before returning to the normal training schedule

Online Practicals: 11:00am – 1:00pm (Monday, Wednesday & Saturday midday) & 7:00pm – 9:00pm (Wednesday night)

**Note:** only one of these sessions is compulsory, but you may attend all if you wish.

- You will be expected to practice skills between sessions and use online practice sessions to demonstrate and embed the skills taught during the workshop
