- There are 8 x 2-day workshops at \$400 each, to be paid directly to the trainer. This includes the cost of the relevant manual and a 4-hour prac session per workshop
- There are 2 x 4-day workshops at \$800 each, to be paid directly to NK Institute. This cost includes 1 x manual per workshop, with prac undertaken during the workshop. These workshops will include weekend dates.
- See the relevant pre-enrolment form for additional workbook and practicum costs
- Students will be expected to practise skills and complete homework tasks between workshops and use practice sessions to demonstrate and embed the skills taught during the workshop.
- Attendance, either in-person or online, to a minimum of 80% of both workshops and supervised practice is a requirement for both the Cert IV and diploma qualifications
- Students will be eligible to participate in student clinics and mentoring sessions after the last workshop.
- In the event of a lockdown, the workshops will be delivered online and prac days will be rescheduled
